

Service Allergie Suisse and the Allergy Seal of Quality

Service Allergie Suisse

Service Allergie Suisse, a Swiss company based in Bern, is the **owner of the individual trademark** "aha SERVICE ALLERGIE", which is registered with the Swiss Federal Institute of Intellectual Property and protected in numerous countries. Service Allergie Suisse SA is public company and a wholly owned subsidiary of the foundation aha! Swiss Allergy Centre.

The Allergy Seal of Quality

The Allergy Seal of Quality is a protected individual trademark and is owned by Service Allergie Suisse. It shows a clear added value of the certified products for people with **allergies and intolerances**. The name of the trademark is **Allergy Seal of Quality**. This name **must absolutely** be used. There are no other versions!

The Label aha! of Migros

Service Allergie Suisse has developed a seal of quality for Migros and protected it under trademark law. It is called label aha! and the related terms use «aha!-». **The label as well as the terminology are exclusively reserved for Migros and may not be used otherwise.**

User Guidelines for the Allergy Seal of Quality

A consistent appearance is very important for the recognition of the Allergy Seal of Quality in order to retain and increase brand awareness, which in turn improves sales of the certified products or services.

Name

The label is called: Allergy Seal of Quality.

This name **must** be used. There are **no other** alternatives!

Presentation

The Allergy Quality Seal must be printed in colour (light green with blue text) on the packaging. We will provide you with the necessary professional artwork (eps. file) for the design of the packaging. The colours for printing are light green: C25/M0/Y100/K0 and blue: C100/M70/Y0/K10. The size of the Allergy Seal of Quality on packaging depends on the size of the packaging and the respective design. However, the writing on the Allergy Seal of Quality must be clearly readable.

For packages that are produced in one colour, the Allergy Seal of Quality can be used on request black/white. You can obtain the corresponding artwork from Service Allergie Suisse.

Ok to print

The Allergy Seal of Quality must **always** be used in the original design and within the agreed framework as per the licence agreement. Please always ensure that you send us, for our final approval, all of your materials related to packaging, text on web pages, advertisements, brochures and media texts where they refer to the Allergy Seal of Quality.
